TOP REASONS TO EXHIBIT

Our marketing and advertising campaign is extensive. In the past we have partnered with popular Cinema chains, Radio stations, Media houses such as CCN TV6 to ensure that as many people are aware of the event and attend as possible.

By investing in ALIAS you become a part of a wider movement, which involves year round events and initiatives, such as our school tours , workshops and charity events which build platforms for the nation's young people to express themselves.

Leading on from that, we use the funds raised at ALIAS to push a number of youth development initiatives, focusing on core areas such as the creative arts, fashion design, costuming, voice acting, animation, robotics, 3d printing and game development to name a few. ALIAS is more than one weekend of entertainment, it is an avenue for the positive growth in the nation's youth.
